

Welcome

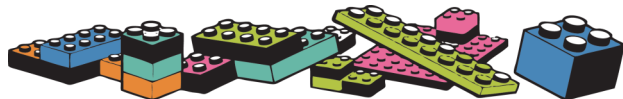

once again to Oxford Public Library's Summer Reading Program! We are very excited to see everyone again! Last year's turnout was amazing and we had a blast seeing everyone running around and being active!

This year's theme is building and making, and we're excited to start constructing awesome projects this summer!

Did you know that our library is 100 years old this year? Isn't that incredible! With all that history in these walls its hard not to soak it all in. So many people have visited and loved this library and now YOU have the opportunity to be a part of our family!

As a special 100 year anniversary treat, the books we have bought so far this year are all marked with special stickers, so come by and check us out!

Craft/Art Days

Come and get creative with us every Tuesday at 1pm starting June 6th and ending July 25th as we make unique projects each week.

Calling All Engineers!

Build with us June 8th through July 27th at 1pm. We will be experimenting and building well-known buildings with lots of different things, like balloons, food and Legos.

Story Time

Every Friday at 11:30am we have Story Time for your little ones. We will explore fascinating books and topics. Crafts, games and snacks are beloved features of our time together, so stop by and have fun with us!

Teen Activities & Crafts

Also on Friday we are calling all teenagers to be here at 1pm for more difficult crafts and activities, and participate in duct tape crafts, a scavenger hunt, hot glue crafts and more.

Summer Reading Program

Sign ups for the Reading Program will be open May 30th, so hurry and make sure you stop by the library to check out books and sign up to have fun, get crafty, and win prizes!

This years Summer Reading Program will start on June 5th for a full week of activities to get us started.

The last day to enter your books and pages will be July 28th, for a full two months of reading. The next week on August 2nd will be our annual Summer Reading Party, with games, food, the final prize announcements and more!

So don't miss out on our amazing Summer Reading Program!
